

**ADDEDUM NO. 1 DATES 6th MAY 2024 FOR TENDER;
 KE-MOMBEMA-005-2024-GO-RFB; MMBE&MA/SDBE&F/27/2023-2024; SUPPLY
 AND DELIVERY OF PATROL / RESCUE BOATS**

Comments/Questions	Response
<p>Tender is asking for boats with 2-stroke engines.</p> <p>1. Kindly note that two stroke technology is obsolete for nofriendly and has been replaced with four stroke enginadvanced, environment friendly, efficient, and economical.</p>	<p>After further consultations with a KMA officer on the concern raised about the boat engines we were advised that 4-stroke engines perform better than 2_ stroke engines hence suitable for inshore patrols. We therefore recommend that the interested suppliers be advised to consider 4_ stroke engines. instead of 2_ stroke engines.</p>
<p>2. ITB 14.8 – please can you clarify the location of Tamkibo and Kamamkuki and are they accessible by road</p>	<p>Delivery points: TAMKIBO: Is at Kilifi County Office , Kilifi – Accessible KAMAMKUKI: is At Mombasa Fisheries office, Liwatoni - Accessible</p>
<p>3. Technical specifications 27ft boat – how many people the seating is for. It mentions 4 pax total</p>	<p>That is an error, the capacity for 27ft boat should be 10 Pax.</p>
<p>4. Technical specifications 23ft boat - how many people the seating is for. It mentions 4 pax total</p>	<p>That is an error, the capacity for 23ft boat should be 8Pax.</p>
<p>5. Technical specifications back up engines – essential spare parts kit is spare parts for operation for how long? A year? No spare parts required for the main engines on the boats?</p>	<p>Spears parts are for both main and back-up engines. A minimum of 2 years operation.</p>
<p>6. Which is the Tender No. there are two references?; RFB No.KE-MOMBEMA-005-2023-GO-RFB. /KE-MOMBEMA-005-2024-GO-RFB;</p>	<p>TENDER RFB. No. is ; KE-MOMBEMA-005-2024-GO-RFB;MMBE&MA/SDBE&F/27/2023-2024 Ignore the others appearing elsewhere in tender documents and adverts</p>
<p>7. Technical specifications additional equipment –</p>	
<p>a. what are reflector jackets? If the life jackets have reflective strips is this sufficient?</p>	<p>Yes, life jackets with reflector strips is very sufficient.</p>

b. What is immersion protection?	It is basically an Immersion suit that aids with buoyancy on water. 
c. A radar is required or a radar reflector is required?	We require a radar reflector; 
d. Boat book is a manual for the equipment on the boat?	Yes, it is.
e. What is emergency signal kit? Flares or more?	Emergency signal kit should contain flares and other items such as Torch, flashlight, Mirror, Extra Batteries, Whistle and any other recommended when boat is at distress.
